FOR FISCAL YEAR 2005-2006
(ALL SUPERVISORIAL DISTRICTS)
(3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

1. Approve the Additional Psychiatric Emergency Services (PES) Relief Plan (Attachment I), developed in collaboration with the Department of Health Services (DHS) and the Chief Administrative Office (CAO), to purchase 107 beds (39 psychiatric inpatient, 20 Institutions for Mental Disease (IMD), and 48 augmented residential) to alleviate the overcrowding of the County's four (4) PES, as directed by your Board on June 20, 2005, and authorize the Department of Mental Health (DMH) to initiate actions in accordance with this Plan. The Fiscal Year (FY) 2005-2006 cost of these actions is \$11,374,000, consisting of one-time only net County cost (NCC) of \$10,914,000, and \$460,000 of projected Federal Financial Participation (FFP) Medi-Cal revenue.
2. Authorize the purchase of 20 additional IMD beds for FY 2005-2006 at a cost of \$1,142,500 to be dedicated to persons who require this level of care and who are being discharged from the County hospital inpatient units.

"To Enrich Lives Through Effective And Caring Service"

Delegate authority to the Director of Mental Health or his designee, as necessary, to adapt to the changing needs for psychiatric emergency, inpatient, and residential care in Los Angeles County and make adjustments among the PDP's acute psychiatric inpatient and IMD components of the Additional PES Relief Plan (Attachment I), consistent with the intent of the Plan.

3. Authorize the Director of Mental Health or his designee to develop a Psychiatric Outreach Team Diversion Program (PDP) in conjunction with psychiatric inpatient facilities (Attachment II) that are certified to provide Fee-For-Service (FFS) Medi-Cal services and have Lanterman-Petris-Short (LPS) designation for involuntary treatment. Under this Program, approximately 16 beds could be purchased at any given time. The total projected FY 2005-2006 cost of this PDP is \$4,050,000.

Delegate authority to the Director of Mental Health or his designee, as necessary, to adapt to the changing needs for psychiatric emergency, inpatient, and residential care in Los Angeles County and make adjustments among the PDP's acute psychiatric inpatient and IMD components of the Additional PES Relief Plan (Attachment I), consistent with the intent of the Plan.

4. Approve DMH's recommendation regarding LPS designation of Urgent Care Centers and delegate authority to the Director of Mental Health or his designee to designate, in accordance with the State of California Welfare and Institutions Code Sections 5404 and 5150, existing and future County directly operated and contracted Urgent Care Centers that meet applicable County and State requirements.
5. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute amendments, as listed in Attachment III and substantially similar to Attachments IV and V, to two (2) Legal Entity (LE) Agreements with Kedren Community Health Center, Inc. The total FY 2005-2006 cost for these 71 additional beds is \$6,181,660. Attachment III details the contractors, beds by component of the PES Relief Plan, and costs.

6. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute amendments and a new Service Exhibit, substantially similar to Attachments VII and VIII, to existing and new FFS Medi-Cal Psychiatric Inpatient Hospital Agreements with eligible psychiatric inpatient facilities that participate in the PDP.
7. Delegate authority to the Director of Mental Health or his designee to prepare, sign, and execute amendments to the Legal Entity, Specialized, and FFS Medi-Cal Psychiatric Inpatient Hospital Agreements and establish as a new Maximum Contract Amount (MCA) or applicable Contract Allowable Rate (CAR) the aggregate of each original Agreement and all amendments, provided that: 1) the County's total payments to a contractor under each Agreement for each fiscal year shall not exceed a change of 20 percent from the applicable revised MCA or CAR; 2) any such increase shall be used to provide additional services or to reflect program and/or policy changes; 3) the Board of Supervisors has appropriated sufficient funds for all changes; 4) approval of County Counsel and the Chief Administrative Officer or their designee is obtained prior to any such Amendment; 5) County and contractor may by written amendments reduce programs or services without reference to the 20 percent limitation and revise the applicable MCA or CAR; and 6) the Director of Mental Health shall notify the Board of Supervisors of Agreement changes in writing within 30 days after execution of each Amendment.
8. Approve the Request for Appropriation Adjustment (Attachment IX) in the amount of \$11,374,000 for FY 2005-2006. The adjustment will transfer \$10,914,000 in NCC from Provisional Financing Uses (PFU) to DMH and increase DMH's FFP Medi-Cal revenue by \$460,000 to fund the Services and Supplies (S&S), necessary to implement these actions.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTIONS

On June 20, 2005, your Board directed the CAO to transfer \$10,914,000 in proposed one-time NCC funding from DMH to Provisional Financing Uses and directed DMH and the CAO to return to your Board with a plan to utilize these funds for additional relief of the County's hospitals' PES. This submission outlines the plan (Attachment I) developed by DMH, DHS, and the CAO to relieve the overcrowding in the PES. The purpose of the requested actions is to obtain approval of the plan and authorization for its immediate implementation to alleviate the current overcrowding of the DHS PES. The elements of this plan will expand acute inpatient and locked residential capacity to meet the immediate need for treatment resources for persons suffering from these

disorders. In addition, the plan includes an augmented residential program that can be replicated throughout the County in future years.

The requested actions are also intended to ensure that all areas of the County have equitable psychiatric inpatient and residential bed resources within their particular geographic areas, and that, in the future, new or existing resources can readily be incorporated, enhancing DMH's ability to adapt to the changing circumstances of psychiatric emergency and inpatient care. Particular emphasis will be given to negotiating Specialized Agreements under the PDP with acute psychiatric inpatient facilities within each geographic area to reduce the distances mentally ill individuals and their families need to travel to obtain care. Additionally, DHS and DMH are further proposing the delegation of authority to the Director of Mental Health or his designee to designate Urgent Care Centers to receive involuntary clients to assist in decompressing County's Psychiatric Emergency Rooms.

Implementation of Strategic Plan Goals

The recommended Board actions are consistent with the principles of the Countywide Strategic Plan, Goal No.1, "Service Excellence," Goal No. 3, "Organizational Effectiveness," and Goal No. 7, "Health and Mental Health." Board approval will promote the accessibility of essential services to clients of all ages; promote collaboration between the Departments of Mental Health and Health Services; and enhance workforce and service delivery excellence.

FISCAL IMPACT/FINANCING

Approval of the requested actions will increase NCC by \$10,914,000.

The FY 2005-2006 cost of the Additional PES Relief Plan is \$11,374,000. This amount includes funding for increases in acute inpatient, IMD, augmented residential care capacity, and pharmacy costs. The Additional PES Relief Plan will be financed by \$10,914,000 one-time NCC and \$460,000 in FFP Medi-Cal revenue.

For FY 2005-2006, the Request for Appropriation Adjustment (Attachment IX) in the amount of \$11,374,000, fully funded with \$10,914,000 one-time NCC and \$460,000 in FFP Medi-Cal revenue, provides DMH with the spending authority to fund the necessary increase in S&S for the implementation of the Additional PES Relief Plan.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

Over the past two years, DMH and DHS have engaged in collaborative efforts to decompress the County's hospitals' PES. Despite these efforts, the overcrowding has persisted. In recent months, DMH and DHS have worked with your Board offices to develop additional measures and, on April 6 and 18, 2005, the Departments reported on actions taken and provided additional recommendations to your Board to address the situation. Based on these reports and ongoing concerns on April 26, 2005, your Board directed DMH and DHS to work with the CAO to immediately implement the recommendations made to address the overcrowding. In order to do so, the CAO committed to identifying funding to carry out the recommendations and, subsequently, proposed the utilization of \$10,914,000 of one-time funds to purchase additional inpatient and residential beds.

Based on the continued need for additional resources, DMH is requesting approval of the Additional PES Relief Plan (Attachment I) and authority to implement the plan, which has the following components:

Institutions for Mental Disease (IMD) Beds

Funding is allocated to purchase 20 IMD beds dedicated to individuals being discharged from County hospital inpatient units. The ongoing development of adequate and sufficient lower levels of mental health care, such as intensive community treatment programs, for discharge-ready IMD residents will be critical so that IMD beds will continue to be available for the County hospitals. The total projected FY 2005-2006 cost of the additional IMD beds, including psychiatric medication cost of \$84,000, is \$1,142,500.

Secured Augmented Residential Beds

A new secured and augmented residential program for 48 individuals will be provided by Gateways. This program will provide intensive mental health services in a secured residential setting for persons who, with intensive supports and supervision, can be discharged from County hospital inpatient units or IMDs earlier than would be possible without this level of care. Expeditious movement from these facilities allows more rapid disposition from the PES. The total projected FY 2005-2006 cost of this program is \$1,529,000, including anticipated FFP Medi-Cal revenue of \$460,000.

Other New Residential Resources

In addition to the resources funded under this plan, Homes For Life Foundation - Cedar Street, a 38-bed transitional residential program for persons being

discharged from IMDs and the State Hospital will open in July, 2005. This program, located on the grounds of Metropolitan State Hospital in Norwalk, will support people as they transition from institutional care and prepare them for even more independent community living. A 12-bed crisis residential program, provided by Hillview Mental Health Center in Lakeview Terrace and scheduled to open in early FY 2005-2006, will serve as a resource to the Olive View Medical Center PES.

Psychiatric Outreach Team Diversion Program (PDP)

Under the PDP, when all DHS PES facilities are at a predetermined census, the DHS Medical Alert Center will divert DMH's Psychiatric Outreach Teams to participating private hospitals. General acute hospitals with psychiatric units that have a current FFS Medi-Cal Psychiatric Inpatient Hospital Agreement with DMH, that have LPS designation for involuntary treatment, and that have agreed to DMH's terms of participation will be eligible to participate in this Program. Free-standing hospitals that have a current FFS Medi-Cal Psychiatric Inpatient Hospital Agreement with DMH for persons under 18 or over 65 years of age, that have LPS designation, and that have agreed to DMH's terms of participation will also be eligible for the PDP. Further eligibility requirements will include agreement to ongoing utilization review by DMH and compliance with established program guidelines. Attachment II lists the Los Angeles County FFS Medi-Cal contracted and LPS-designated psychiatric inpatient facilities that would be eligible to participate in this Program should they agree to the terms of participation. Participating hospitals will provide acute and administrative inpatient bed-days based on a standard negotiated case rate, plus applicable daily rates. This Program will enable DMH to utilize up to 16 private hospital beds at any given time, strategically located throughout the County, based on demand for additional beds when the PES are at capacity. The total projected FY 2005-2006 cost of this component is \$4,050,000, which includes \$3,420,000 for the beds and an additional \$630,000 augmentation of the DMH Pharmacy program for psychiatric medications upon patients' discharge.

LPS Designation of Urgent Care Centers

In a joint communication to the Board of Supervisors dated April 18, 2005, the Departments of Health Services and Mental Health proposed to further develop Urgent Care Centers to assist in the decompression of the County's Psychiatric Emergency Rooms.

After assessing the feasibility of providing additional involuntary assessment and treatment in Urgent Care Centers, the Departments agreed that designating

Urgent Care Centers to receive involuntary clients would have a significant impact in relieving PES overcrowding. The Departments are proposing the delegation of such authority to the Director of Mental Health or his designee.

Additional Inpatient Beds

Thirteen (13) additional psychiatric beds will be purchased from existing acute inpatient contractors for uninsured adults: 11 from Kedren, located in South Los Angeles, and two (2) from College Hospital, located in Cerritos. In addition, DMH will enter into a contract with White Memorial, located in close proximity to LAC + USC Medical Center, for ten (10) acute inpatient beds. The total projected FY 2005-2006 cost of these 23 beds is \$4,652,660, which includes \$4,461,560 for the beds and an additional \$191,100 augmentation of the DMH Pharmacy program for psychiatric medication upon patients' discharge for the new contract.

The currently contracted DMH law enforcement referral beds at College Hospital in Cerritos and Aurora Behavioral Health Care/Charter Oak in Covina will continue to be utilized as law enforcement referral beds.

As directed by your Board, DMH and the CAO will identify future funding for the provision of the inpatient and residential beds included in this plan and report back to your Board within 90 days. It should be noted that the number of PDP and IMD beds are not specified in the respective providers' contracts and, thus, can be adjusted based upon need and/or available funding.

While this Board letter authorizes amendments to specific agreements and delegates authority for appropriate amendments to other existing agreements, DMH will return to your Board for authorization to enter into any new agreements to further implement the purposes of this plan.

The proposed actions have been reviewed and approved by County Counsel, the Chief Administrative Office, DHS Administration, and DMH's Director, Program and Fiscal Administrations.

CONTRACTING PROCESS

The proposed actions will primarily be accomplished through amendments to existing contracts and a new contract with White Memorial Medical Center. The PDP will be available to all interested and eligible FFS Medi-Cal and LPS-designated hospital providers.

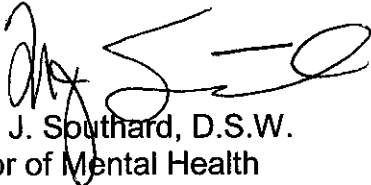

IMPACT ON CURRENT SERVICES

The proposed actions will alleviate the overcrowding in the County's hospitals PES by providing additional inpatient capacity at private hospitals and more timely discharges from the PES and inpatient units to appropriate lower levels of care. As such, these resources will enhance the mental health treatment available to those persons requiring emergency and ongoing mental health services in all areas of Los Angeles County.

CONCLUSION

The Department of Mental Health will need one (1) copy of the adopted Board's action. It is requested that the Executive Officer of the Board notifies the Department of Mental Health's Contracts Development and Administration Division at (213) 738-4684 when this document is available.

Respectfully submitted,

SUBJECT: **ADDITIONAL RECOMMENDATIONS FOR THE DECOMPRESSION OF
THE COUNTY PSYCHIATRIC EMERGENCY SERVICES**

On April 6, 2005, the Departments of Mental Health (DMH) and Health Services (DHS) submitted recommendations (Attachment) to your Board for the decompression of the County Hospitals' Psychiatric Emergency Services (PES). Subsequent to the submission of these recommendations the Directors of DMH and DHS were requested by Board Offices to explore additional strategies to relieve the increased demand on the DHS PES as well as psychiatric inpatient services. Following are additional recommendations that the Departments have agreed will further reduce the present overcrowding of the DHS PES:

- Thirty (30) additional existing Institutions for Mental Disease (IMD) beds will be dedicated to DHS, i.e., ten (10) beds per month for three months as they become available as clients are discharged.
- Twenty (20) new IMD beds will be dedicated to DHS by May 15, 2005 via redirection from other non County sources.
- The implementation of a thirty-eight bed (38) residential facility, Cedar Street, on the grounds of Metropolitan State Hospital (MSH) will allow clients ready for discharge from IMDs to transition to this lower level of care facility and thereby increase IMD bed availability for DHS patients.

- Forty-eight (48) IMD beds will be dedicated to DHS as geographically appropriate in July 2005, as a result of transition of current IMD residents to a new secure residential facility proposed in the East Los Angeles area.
- Twelve (12) crisis residential beds will be allocated at Hillview Mental Health Center as part of the Olive View Medical Center Urgent Care Center proposal. Target implementation date is May 15, 2005.

The Departments are confident that the above recommendations in addition to those presented in the April 6, 2005 memorandum will have a significant impact on our County PES in relieving the present impacted condition.

DHS has committed to temporarily add staff and facility resources to the LAC+USC psychiatric emergency room to assure a safe physical environment for patients until the other decompression strategies have proven successful. DHS will continue to review the needs at all County PES and monitor the effects of proposed decompression strategies.

The Department of Mental Health is working with the Chief Administrative Office to identify funding to operationalize these recommendations if approved by the Board of Supervisors.

Please let us know if you have any questions.

SUBJECT: JOINT RECOMMENDATIONS FOR THE DECOMPRESSION OF THE
COUNTY'S PSYCHIATRIC EMERGENCY DEPARTMENTS

This is in response to your Board's request to address the increased demand on the Psychiatric Emergency Services (PES) at the four County hospitals.

During the last 18 months, the Departments have been engaged in the development of a number of programs and mechanisms to decrease the overcrowding of the PES. These efforts have had some positive impact; however they were not entirely successful in decompressing the County PES to keep at or below capacity, particularly since the inflow of patients into the PES has increased significantly. This greatly hinders any effort to ensuring a safe and manageable PES environment for patients and staff and the PES compliance with regulatory requirements placed on the Department by the Joint Commission and the Centers for Medicaid and Medicare Services (CMS).

PROPOSED JOINT SOLUTIONS

In response to Supervisor Molina's question regarding the ability to close the PES when they reach capacity, the Departments have obtained legal consultation from County Counsel. A report from County Counsel will be forwarded to your Board.

The Departments agree that the measures must have immediate impact, must lay the foundation for further measures that may be funded through the Mental Health Services Act, and must be undertaken in coordination with other agencies that are involved. These are outlined in the attached flowchart, timeline, and detailed below.

- **EXPANDED DIVERSION TO FEE-FOR-SERVICE LPS-DESIGNATED HOSPITALS**

DHS and DMH have developed and operationalized the framework for using the Medical Alert Center (MAC) for directing Psychiatric Mobile Response Teams (PMRTs) to specific DHS PES. The Departments propose to expand this to include Lanterman-Petris-Short Act (LPS)-designated private hospitals as PMRT destinations when County Hospital PES are at capacity. The next collaborative step will be to establish similar procedures with Los Angeles Police Department (LAPD). LPS designation allows hospitals to care for patients involuntarily detained on 5150 holds. Once a patient arrives at an LPS-designated emergency room, that emergency room must see the patient under the federal Emergency Medical Treatment and Active Labor Act (EMTALA) regulations. This plan can be implemented within two to three months. Additionally, DMH agrees to hold further expansion of PMRT teams pending joint assessment of the impact of these changes on PES flow.

- **LPS DESIGNATION OF URGENT CARE CENTERS**

The development of Urgent Care Centers is a new approach that holds great promise for the decompression of the PES. The Departments will assess the feasibility of providing additional involuntary assessment and treatment in Urgent Care Centers in order to further reduce PES overcrowding.

- **EXPANSION OF ACUTE INPATIENT AND RESIDENTIAL RESOURCES**

Effective April 2005, DMH will authorize an increase in existing contracted beds with Kedren Community Health Center, Inc., for uninsured adults to alleviate the immediate emergency situation. DMH intends to subsequently increase the number of contracted inpatient beds for uninsured persons at the facility from twenty to thirty-one.

DMH plans to purchase an additional 10 acute psychiatric inpatient beds for uninsured clients at White Memorial Hospital dedicated to County needs. Target implementation date is July 2005.

Each Supervisor
April 06, 2005
Page 3

DMH has allocated funding to purchase twelve additional beds for uninsured children and adolescents, more than doubling the current capacity effective April 19, 2005, contingent upon Board of Supervisors approval. Targeted Board hearing date is April 19, 2005.

Six DMH contracted Compass House Crisis Residential beds for uninsured clients who are clinically appropriate for this level of care have been dedicated to County PES and inpatient units since March 15, 2005.

ISSUES PENDING RESOLUTION

PES FACILITY IMPROVEMENTS

- The Departments will assess the feasibility of improving the County PES facilities in order to improve function and safety, subject to funding and other operational considerations.

ADDITIONAL RESOURCES FOR SEVERELY MENTALLY ILL

- The Departments will review resource allocation for post-acute inpatient locked residential facilities, based upon clinical needs, volume and availability.

FUNDING RESPONSIBILITIES

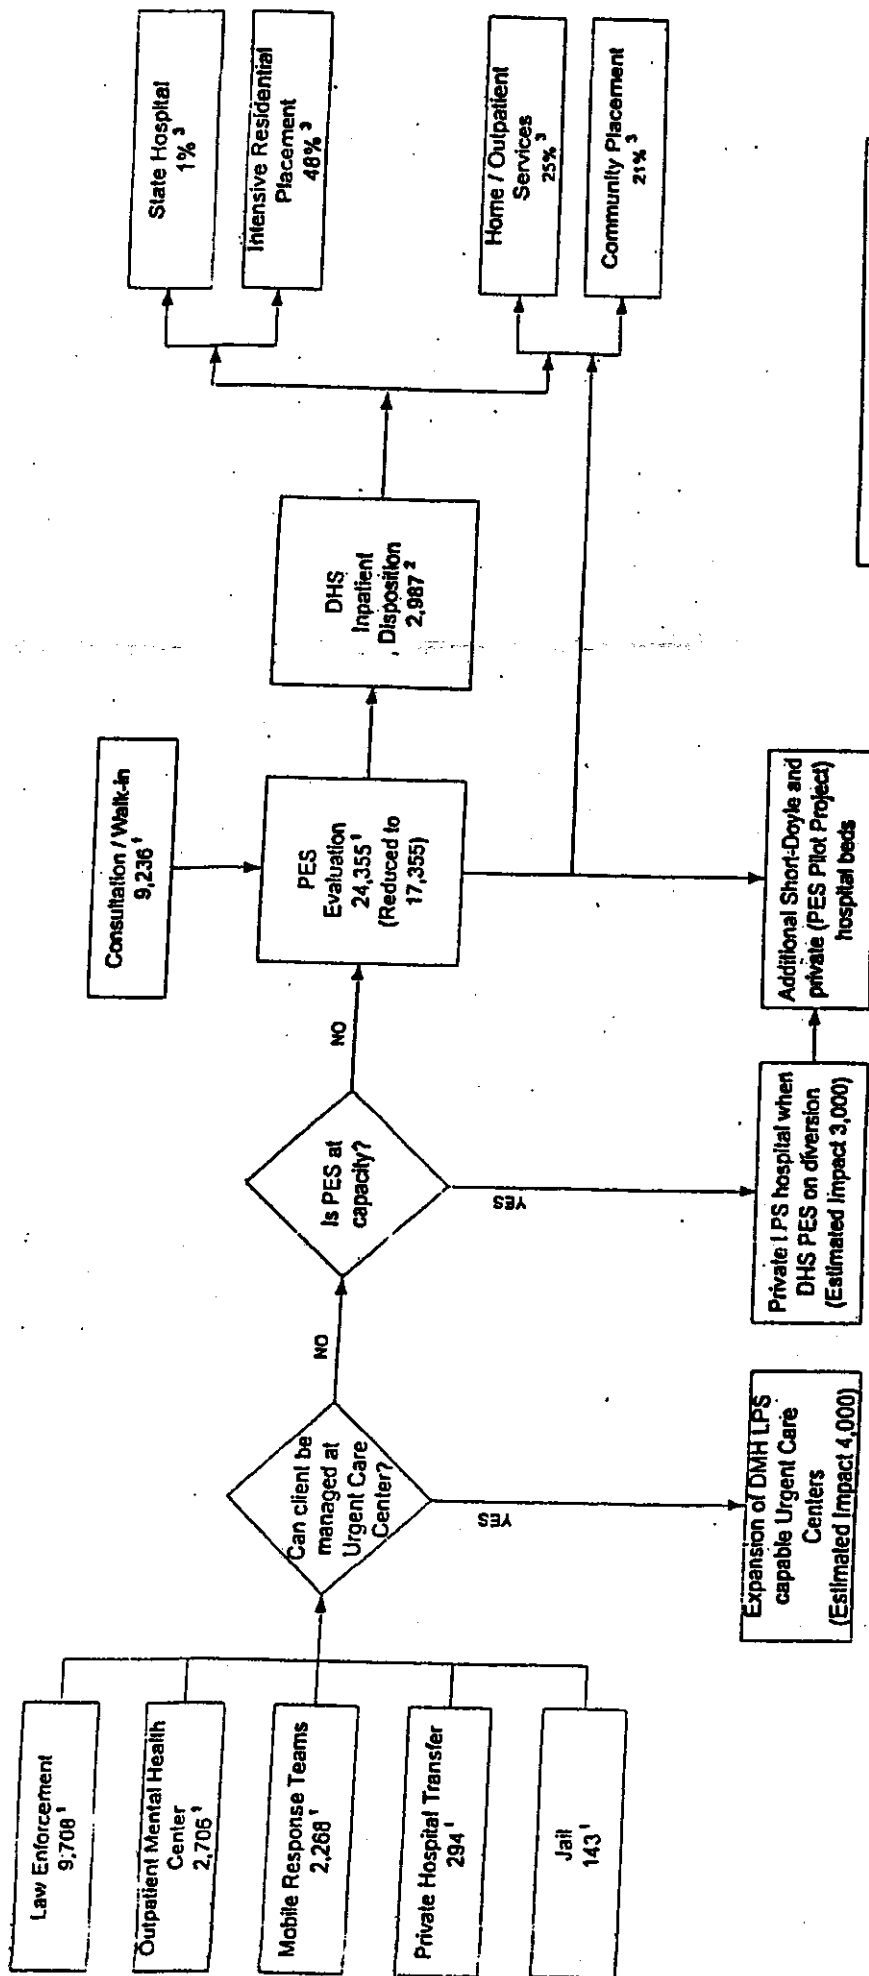

- The Departments will review funding issues with regard to mental health services provided by DHS as a foundation for budget recommendations to your Board.

15 G. Payment: Contractor shall submit to County, claims in the form and content

19 Contractor shall receive from County payment less all revenues equal to the claims submitted and
20 approved for that month in accordance with County policies and procedures.

21 If a claim is not submitted as required by County, then payment may be withheld by
22 County.

23 H. Withholding of Payment For Nonsubmission of IS and Other Information: County

1 I. Annual Cost Reports:

2 (1) For each Fiscal Year or portion thereof that this Agreement is in effect,
3 Contractor shall provide DMH with one copy of an accurate and complete Annual Cost Report in

11 Contractor fails to make payment of any such amount to County as required, then the total amount,
12 as determined by Director, shall be immediately due and payable.

13 J. County Audit Settlements: If, at any time during the term of this Agreement or at
14 any time after the expiration or termination of this Agreement, authorized representatives of County

1 constitute a material breach of this Agreement upon which County may immediately terminate or
2 suspend this Agreement. While County reserves the right to determine independently that the
3 anti-discrimination provisions of this Agreement have been violated, in addition, a determination by
4 the California Fair Employment Practices Commission or the Federal Equal Employment Opportunity
5 Commission that Contractor has violated State or Federal anti-discrimination laws or regulations shall

11 fully liable and responsible for any and all performance required of it under this Agreement, and no

13 not be construed to limit in any way any of County's rights or remedies contained in this Agreement.

14 Additionally, County approval of any subcontract shall not be construed in any way to constitute
15 the determination of the allowability or appropriateness of any cost or payment under this
16 Agreement.

17 D. In the event that County consents to any subcontracting, such consent shall apply to
18 each particular subcontract only and shall not be, or be construed to be, a waiver of this Paragraph
19 25 or a blanket consent to any further subcontracting.

20 E. County shall have no liability or responsibility whatsoever for any payment or other
21 compensation for any subcontractor or its officers, employees, and agents.

4 Agreement.

5 32. TERMINATION FOR IMPROPER CONSIDERATION: County may, by written notice to

9 or securing favorable treatment with respect to the award, amendment or extension of the
10 Agreement or the making of any determinations with respect to the Contractor's performance

15 contract. It is the County's policy to conduct business only with responsible contractors.

16 B. The Contractor is hereby notified that, in accordance with Chapter 2.202 of the
17 County Code, if the County acquires information concerning the performance of the Contractor on
18 this or other contracts which indicates that the Contractor is not responsible, the County may, in
19 addition to other remedies provided in the contract, debar the Contractor from bidding on County
20 contracts for a specified period of time not to exceed 3 years, and terminate any or all existing
21 contracts the Contractor may have with the County.

3 ordinance entitled Contractor Employee Jury Service ("Jury Service Program") as codified in Sections
4 2.203.010 through 2.203.090 of the Los Angeles County Code.

5 B. Written Employee Jury Service Policy:

6 (1) Unless Contractor has demonstrated to the County's satisfaction either that
7 Contractor is not a "Contractor" as defined under the Jury Service Program
8 (Section 2.203.020 of the County Code) or that Contractor qualifies for an
9 exception to the Jury Service Program (Section 2.203.070 of the County
10 Code), Contractor shall have and adhere to a written policy that provides that

15 fees received for jury service.

16 (2) For purposes of this Section, "Contractor" means a person, partnership,
17 corporation or other entity which has an Agreement with the County or a
18 subcontract with a County Contractor and has received or will receive an
19 aggregate sum of \$50,000 or more in any 12-month period under one or more

25 as full-time. Full-time employees providing short-term, temporary services of
26 90 days or less within a 12-month period are not considered full-time for
27 purposes of the Jury Service Program. If Contractor uses any subcontractor to

1 perform services for the County under the Agreement, the subcontractor shall
2 also be subject to the provisions of this Section. The provisions of this Section
3 shall be inserted into any such subcontract Agreement and a copy of the Jury
4 Service Program shall be attached to the Agreement.

5 (3) If Contractor is not required to comply with the Jury Service Program when the
6 Agreement commences, Contractor shall have a continuing obligation to review
7 the applicability of its "exception status" from the Jury Service Program, and
8 Contractor shall immediately notify County if Contractor at any time either
9 comes within the Jury Service Program's definition of "Contractor" or if
10 Contractor no longer qualifies for an exception to the Program. In either event,
11 Contractor shall immediately implement a written policy consistent with the
12 Jury Service Program. The County may also require, at any time during the
13 Agreement and at its sole discretion, that Contractor demonstrate to the
14 County's satisfaction that Contractor either continues to remain outside of the
15 Jury Service Program's definition of "Contractor" and/or that Contractor
16 continues to qualify for an exception to the Program.

17 (4) Contractor's violation of this section of the Agreement may constitute a
18 material breach of the Agreement. In the event of such material breach,
19 County may, in its sole discretion, terminate the Agreement and/or bar
20 Contractor from the award of future County Agreements for a period of time
21 consistent with the seriousness of the breach."

22 54. NOTICE TO EMPLOYEES REGARDING THE SAFELY SURRENDERED BABY LAW: The
23 Contractor shall notify and provide to its employees, and shall require each subcontractor to notify

25 implementation in Los Angeles County, and where and how to safely surrender a baby. The
26 fact sheet is set forth in Exhibit __ of this Agreement and is also available on the Internet
27 www.babysafela.org for printing purposes.

1 55. CONTRACTOR'S ACKNOWLEDGEMENT OF COUNTY'S COMMITMENT TO THE SAFELY

2 SURRENDERED BABY LAW: The Contractor acknowledges that the County places a high priority on
3 the implementation of the Safely Surrendered Baby Law. The Contractor understands that it is the
4 County's policy to encourage all County Contractors to voluntarily post the County's "Safely
5 Surrendered Baby Law" poster in a prominent position at the Contractor's place of business. The
6 Contractor will also encourage its subcontractors, if any, to post this poster in a prominent position
7 in the subcontractor's place of business. The County's Department of Children and Family Services
8 will supply the Contractor with the poster to be used.

9 56. NOTICES: All notices or demands required or permitted to be given under this Agreement
